DIRECTIONS

Please note that these directions are probably not the way your sat nav would take you as they are take the simplest route not necessarily the shortest!

From the North via Poitier and Angouleme (N10)

- As you approach Poitier on the autoroute heading south, look for signs to Angouleme - you need to change on to the N10, signposted for Angouleme. **DON'T MISS THIS ONE AS IT'S A VERY LONG WAY BEFORE YOU CAN GET OFF TO TURN AROUND**
- As you approach Angouleme continue along the N10 towards Bordeaux until the turn off for St Michel (probably also signed for Girac Hospital) - go up the slip road and turn left.
- Continue 200 metres to roundabout and take first exit (right). You will have the hospital on your right.
- After 300 metres you come to a big roundabout (you'll see Castorama and Quick Burger) - take the second exit onto the ring road (I think its signposted Villebois Lavalette but don't worry if not!!)
- Continue for approx 5 miles, going straight over any roundabouts.
- When you reach a big roundabout with MacDonaldis on the right and Carrefour over on the far left (last opportunity for supermarket shopping on this route) - take first exit off to **RIGHT** onto the D939 towards PERIGUEUX.
- Continue along the D939 until you get to La Rochebeaucourt (approx 12 - 14 miles) where you need to take a **RIGHT** onto the D708 (might also say D12) towards Verteillac and Riberac).
- After about 5 miles take a turn on the **RIGHT** to GOUTS ROSSIGNOL.
- When you arrive at Gouts Rossignol, go straight over the mini roundabout, go past the bar (Le Petit Rossignol) and continue for about 4 or 5 miles along D100.
- After you have gone past a crossroads signed left to Verteillac and right to Champagne (D101), you will see a small farmers' reservoir on the left and then after that two houses on the left - you need to then take the next road left (signposted Moulin Poirier, La Feynie and Chez Devalon).
- You will go over two little humpback bridges and then up the hill about 1 mile - when the road forks keep right.
- Chez Devalon is towards the top of the hill, having passed a stone house on the right.

Please note: we do not live in the village of Nanteuil but in the commune of Nanteuil - do not head for the village.

From the South and East via Riberac and Gouts Rossignol

- At Riberac you need to follow signs through the town heading for either Angouleme or Verteillac, leaving

Riberac on the D708.

- Continue through Verteillac and then shortly after you have seen signs to the left for Cheval you will see a big grain silo on the right and a turn to Gouts Rossignols on the left - take this road to Gouts Rossignol.(approx 1 km).
- When you arrive at Gouts Rossignol, turn left at the mini roundabout, go past the bar (Le Petit Rossiignol) and continue for about 4 or 5 miles along D100.
- After you have gone past a crossroads signed left to Verteillac and right to Champagne (D101), you will see a small farmers' reservoir on the left and then after that two houses on the left - you need to then take the next road left (signposted Moulin Poirier, La Feynie and Chez Devalon).
- You will go over two little humpback bridges and then up the hill about 1 mile - when the road forks keep right.
- Chez Devalon is towards the top of the hill, having passed a stone house on the right.

Please note: we do not live in the village of Nanteuil but in the commune of Nanteuil - do not head for the village.
